

# EVELIN CARDIGAN

*crochet along calendar*

Sat 2/3 10-11:30 am Zoom	Measuring Your Body and Selecting a Size, Swatching, Gauge, Foundation SC, Yoke Swatch Rows 1-6
Sat 2/10 no session	Goal for 2/17: Swatch to determine personal hook size. Work through Row 6 of the cardigan.
Sat 2/17 10-11:30 am Zoom	Yoke Swatch Rows 7-24 BRDC
Sat 2/24 no session	Goal for 3/2: Work through Row 24 of the cardigan.
Sat 3/2 10-11:30 am Zoom	Yoke Swatch Rows 25-44, Sleeve Separation
Sat 3/9 no session	Goal for 3/16: Work to separation for sleeves
Sat 3/16 10-11 am Zoom	Short row shaping, Pockets, Button Band
Sat 3/23 no session	Goal for 3/30: Complete cardigan body
Sat 3/30 10-11:30 am Zoom	Sleeves
Sat 4/6 no session	Goal for 4/13: Finish sleeves, weave in ends, block
Sat 4/13 10:30-11:30a at AWU	The CAL Sweater Reveal will be in-person at All Wound Up! Join us for the meet up at 10:30. The photo will be at 11.

# EVELIN CARDIGAN FAQs

The Evelin Cardigan features brioche and mosaic crochet in the yoke and sleeves. This stunning technique is much easier than it looks. You will have the option to to adjust the sleeve and body length. The pattern only goes up to a 52" bust, so I'll be giving advice on how to increase the finished bust size of your cardigan if needed.

## WHAT YARN AND HOOK SHOULD I USE?

The pattern has a gauge of 22 sts over 4" in the brioche stitch, and 20 sts over 4" in dc. You should use the hook size that gives you that gauge. Row gauge is not as critical for this project, as you can always work extra rows to add length. Begin with the sizes suggested in the pattern (3 and 3.5mm), and adjust as needed after swatching.

Fingering weight yarn is recommended and we have dozens of options in the shop. I suggest yarns that are solid in color, or have a long gradient (for the contrast color). Options include: Berroco Vintage Sock, Cascade Heritage, Malabrigo Sock, Polka Dot Sheep Tenderfoot, Scheepjes Whirlette and more...

## I'M NEW TO CROCHET. HOW WILL I MAKE A SWEATER IN 10 WEEKS?

While beginners are welcome, please know this project is an intermediate level. You should already be comfortable making basic crochet stitches, and counting stitches.

To complete the sweater on time, you'll need only work 2-3 rows per day to stay on track. In addition to live sessions, I have videos that walk you through each step.

## HOW DO I GET STARTED? IS THERE HOMEWORK?

To get started, sign up at [allwoundupyarnshop.com/class-registration](http://allwoundupyarnshop.com/class-registration) then purchase the pattern on [Ravelry](https://www.ravelry.com).

You have one homework assignment:

1. Watch the video on taking body measurements. Take your measurements and write them down. We will talk about picking a size at the first meeting.

Swatching is important for a correct fit. We will discuss swatching at length in our first live session, but be prepared to make 3 swatches for this cardigan. The first two will be regular swatches to help determine the correct hook size for you to make gauge. You'll need to know the hook size you need for both gauges of 22 sts/4" and 20 sts/4".

We will also make a "yoke swatch". In our live sessions, you will have the opportunity to practice the brioche stitches with me for each row of the cardigan. In this way, you'll gain confidence before making your actual garment (and won't ruin the yarn with repeated ripping back if you make a mistake).
